Oldfield School is a charitable company limited by guarantee and registered in England and Wales with company number 07495165. The registered office is at Kelston Road, Bath BA1 9AB

Admissions' Number

The admissions' number in 2020 is 180, however governors have agreed to work to admitting 200 in 2020.

The closing date for applications for 2019 entry is 31st October 2019.

Oldfield School became an academy in 2011 and is an open access school with places being offered without reference to ability or aptitude. Oldfield school ensures that it does not discriminate against students' admission to the school on the grounds of race, colour, ethnicity, nationality, first language, religion, attainment level, gender, disability (within the limitations of physical surroundings), class, background or any other reason that cannot be shown as justifiable.

Determination of Priorities

The Governing Body, as admissions authority for the school, has to operate an equal preference system. In the event of oversubscription, all applications for the school will be considered equally and ranked in order of how they meet the criteria:

1. Children in Public Care (looked after children).
2. Children whose older sibling will be attending the school on the admission date or have left the school within two years of the admission date.
3. Children of members of staff employed by the school in either or both of the following circumstances:
 - a) where the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made, and/or
 - b) the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.
4. In the event of oversubscription, places will be offered to those living nearest to the school (measurements will be determined using the Local Authority's GIS computerised mapping system).

Application Process

Applications should be made on the Local Authority's Common Application Form and sent to your Local Authority (LA) by the closing date for applications which is **31 October 2019**. Alternatively, parents can make applications on-line to their own local authority by the same closing date.

The LA process all applications on behalf of the school in line with the school's Admissions Policy. Offers of places are made by the LA. Parents whose school place application is refused by the Governing Body have the legal right of appeal to an Independent Appeals Panel. Details concerning how to appeal will be explained in the decision letter. Parents who make a formal appeal will have their child's name kept on a waiting list for any places which may become available at Oldfield School. They may also ask for their child to remain on the waiting list without making a formal appeal.

Any places which do become available will be reallocated using the Admissions Criteria, taking into account those parents who have asked to remain on the waiting list or who have lodged a formal appeal together with any late applications received.

Applications for students with statements of SEN

There is a different procedure for the admission to school for children with Statements of Special Educational Needs: it is administered by the Local Authority (LA) in whose area the family lives. The LA is responsible for issuing the Statement and consulting parents and the governing body of Oldfield School, before the school is named in the Statement. If the school is named in the Statement the child will be admitted.
