- We have now verified that your son/daughter is entitled to free school meals.
- We have notified Price and Buckland and they have opened a credit account totalling £80 in your name; this will allow you to order whatever items you wish and the school will be invoiced for them.
- The credit account will remain open until you have spent the full £80 or your child leaves the school.
- Once the £80 has been spent, you are not eligible for any more funds.
- **Orders must be placed in the school shop not via Price and Buckland website.**
