

OLDFIELD AV SERVICES LIMITED - AUDIO VISUAL TECHNICIAN APPRENTICESHIP OPPORTUNITY

Due to company expansion an apprenticeship opportunity exists for a creative audio-visual technician, based in Weston, Bath.

Salary. £16,000 per annum.

The apprenticeship duration is 24 months and the successful candidate will have at least 5 GCSEs including English and Maths. An interest in graphic design and film studies would be an advantage.

The working week will be 35 hours during training and will increase during the later stages of training to 40 hours with weekend and evening working attracting overtime payment.

Job requirements. The job will involve setting up and testing equipment before an event, finding and dealing with any faults and checking and servicing equipment.

Personal Qualities. The successful candidate will have a knowledge of computer operating systems, hardware and software, be thorough and pay attention to detail. The ability to stay calm under pressure and accept criticism as well as having excellent verbal communication skills is important.

Experience as a volunteer with a charity, school or theatre group would also be an advantage.

If you think you can make a contribution to this business and want to grow within the company please apply to Mr G Nash, Oldfield School, Kelston Road, Bath BA1 9AB, with an application form, CV and covering letter.
