

## **SOFTWARE ENGINEER**

**SystemsTech Bath Limited** is a software systems development and support company providing support to both commercial and private customers. As a result of company expansion in the Bath and Chippenham areas we are looking for software and support staff who we are prepared to train as Microsoft Certified engineers.

Salary. The starting salary will be £25,000 to £30,000 per year with prospects to significantly enhance this salary with training and experience.

Full training will be given with paid time-off to attend relevant courses at Bath College.

The working week will be Monday to Friday from 9.00am to 5.00pm with some Saturdays and evening on call work.

The successful candidates will have the ability to understand the software development process, have some programming knowledge and be able to work under pressure.

Interesting aspects of the job include working in a wide range of businesses with clients to determine business requirements as a basis for developing software solutions.

If you think you can make a contribution to this business and want to grow within the company please apply to Mr G Nash, Oldfield School, Kelston Road, Bath BA1 9AB, with an application form, CV and covering letter.
