

OLDFIELD SCHOOL

July 2020

Welcome to Oldfield School.

Thank you for watching our Virtual Tour. I really hope that you have a little taste of what life will be like when you join us in September.

I am so pleased that you have chosen to become a member of our community here at Oldfield School and I am looking forward to meeting you properly in September. I will be your Head of Year at Oldfield and my job will be to help you settle in and make sure that you get the most out of your time at secondary school.

You may be a little nervous about leaving primary school, especially in the current circumstances. Don't be! You will make lots of new friends and try lots of exciting new subjects and activities. I will be encouraging you to work hard but also to join in with many of the activities Oldfield School offers, from science clubs to choirs, technology clubs to basketball. There is bound to be something you'll want to join in with!

It would be really helpful to me if you could find a little bit of time over the summer holidays to write me a letter about you. I would love to know what your favourite subjects are and why and what new subjects you are most looking forward to studying. Also, please tell me what activities and hobbies you enjoy outside of school. This will give me a little bit of background information about you. If you would rather not write a letter, you could print a picture of yourself surrounded by your favourite things or doing your favourite hobby or past-time. Please send your letter/picture to the address above or by email to enquiries@oldfieldschool.com.

If there is anything worrying you about moving to Oldfield School then let me know in your letter and I will try to help when you start in September. I very much look forward to receiving some information about you.

I hope you have a lovely summer and I am really looking forward to getting to know you in September.

Best wishes,

Miss A Davies
Head of Year 7
