Park and Stride Location: Newbridge Park and Ride

Approval to use car park as drop off/ pick up site for students attending Oldfield School until 1st September 2021, or during the Covid-19 period.

The Park and Stride Map will illustrate the North Car Park as the parking area for the park and stride. Parents must be instructed to park in this area only, to minimise impact on the P&R bus service.

Emphasis message to parents to park in parking bays using vacant parking space, rather than dropping off in the one-way system. Footpaths are located around the perimeter of the North Car Park, and link up with the public right of way to Kelston Road.

Public Footpath from Park and Stride to Kelston Road

Bath Ramblers have scheduled improvement to the footpath through the woodland section in April. This includes improvements to existing steps, putting gravel on them, and adding new steps down the slope which become slippery when wet.

From Kelston Road there is a pedestrian crossing to reach Oldfield School.
