

## **FREEDOM OF INFORMATION POLICY**

Last Review:	Jul 2021
Committee:	CC
Date Ratified:	08/07/2021

The Academy Trust is responsible for maintenance of this scheme.

### **1. Introduction: what a publication scheme is and why it has been developed**

- 1.1 One of the aims of the Freedom of Information Act 2000 (which is referred to as FOIA in the rest of this document) is that public authorities, including all maintained schools, should be clear and proactive about the information they will make public.
- 1.2 Some information which we hold may not be made public, for example personal information.
- 1.3 This publication scheme conforms to the model scheme for schools approved by the Information Commissioner.

### **3. Classes of available information**

- 3.1 The Appendix is a guide to the information available, how it can be obtained and if there is a charge. The classes of information will generally not include:
  - Information, the disclosure of which is prevented by law, or exempt under the Freedom of Information Act, or is otherwise properly considered to be protected from disclosure. This includes information protected by GDPR.
  - Information in draft form.
  - Information that is no longer readily available as it is contained in files that have been placed in archive storage, or is difficult to access for similar reasons.

### **4. How to request information**

- 4.1 If you require a paper version of any of the documents within the scheme, please contact the school in writing. Contact details are set out below.

Email: [enquiries@oldfieldschool.com](mailto:enquiries@oldfieldschool.com) marked for the attention of the Headteacher

Fax: 01225 464986

Contact Address: Oldfield School, Kelston Road, Bath, BA1 9AB

- 4.2 To help us process your request quickly, please clearly mark any correspondence **"PUBLICATION SCHEME REQUEST"** (in CAPITALS please)

- 4.3 If the information you're looking for isn't available via the scheme, you can still contact the school to ask if we have it.

## **5. Paying for information**

- 5.1 Single copies of information covered by this publication are usually provided free unless stated otherwise in the appendix. If your request means that we have to do a lot of photocopying or printing, or pay a large postage charge, we will let you know the cost before fulfilling your request. Where there might be a charge this will be indicated by a £ sign in the description box.

## **6. Feedback and Complaints**

- 6.1 We welcome any comments or suggestions you may have about the scheme. If you want to make any comments about this publication scheme or if you require further assistance or wish to make a complaint, then initially this should be addressed to the Headteacher. The complaint will be handled using the school's complaints procedure
- 6.2 If you are not satisfied with the assistance that you get or if we have not been able to resolve your complaint and you feel that a formal complaint needs to be made then this should be addressed to the Information Commissioner's Office. This is the organisation that ensures compliance with the Freedom of Information Act 2000 and that deals with formal complaints. They can be contacted at:
