## Overview of A Level Results

This was a fantastic year for our Sixth Form results and we are immensely proud of the progress our students achieved. This marked a steady improvement from our very good results last year.

Although attainment is very important, even more so is progress. Our Sixth Form was judged to be in the top 10% nationally for the progress our students made. A wide range of our subjects produced results that were likewise in the top 25% for progress nationally. These included: Photography, Business Studies, English Literature, Film Studies, Mathematics and Religious Studies.
