## Oldfield School Newsletter

## Outlook

## To inspire, to learn, to succeed

Important Dates; 26 September

European Day of Languages Open Evening, 6-8pm

27 September

**INSET DAY** 

28 September

Open Morning 1, 9-10.30am

29 September—30 September

Duke of Edinburgh Final Expedition

01 October

Open Morning 2, 9-10.30am 02 October London Galleries Art Trip

03 October

Whole School Photographs Netball match v Ralph

Allen, away

04 October

National Apprenticeships Show

Term 6 House Reward Event

Acceleration Programme Information Evening

09 October—12 October

Yr 7 trip to Wild Place, Bristol

15 October

Yr 10,12 Tech Trip to V&A

17 October

U14s Girls Football, away

24 October — 26 October

Yr 13 Trip to CERN, Geneva

25 October

Parent/Tutor afternoon/ evening

26 October

Yr 10, 12 Product Design trip to Thorpe Park END OF TERM 1

Dear Parents / Carers

Welcome back to the start of a new school year; I hope that you and your families have had a very enjoyable summer. In particular, I would like to welcome our new families, it was a pleasure to meet some of you at the Year 7 barbecue and disco last week. A full newsletter will follow shortly but I wanted to write to you early in the term to introduce our new teaching and support staff and to share the outcomes of the GCSE and A level results this summer.

I was delighted with both the GCSE and A Level results as they exceeded our already high expectations. The GCSE results were excellent; with almost 80% of all grades being Grade 4/C or better and 73% of students achieving the previous benchmark of 5 or more A\*-C grades including English and maths. With regards to the new benchmark of Grade 5+ in both English and maths, this was 52% which is a significant improvement on last year and 10% higher than the national average. 27% of all GCSE grades were 7-9s (previous grade A-A\*s), a fantastic achievement. I was also delighted to see that individual subjects' results were very impressive with many of our GCSE subjects recording some of their best ever performances at GCSE. Over 80% of grades in science and English being grade 4 or higher, in the case of English almost 90% of students achieved a grade 4 in English or English Literature. You will know that as a school we are proudly comprehensive and place a high emphasis on our inclusive ethos and values so it is hugely satisfying to see that so many students have achieved to such a high standard. There is nothing quite as rewarding as being in school on results day when you know that students have achieved or exceeded their potential.

One of the happy consequences of these excellent GCSE results is that a large number of our Year 11 student have decided to join the sixth form at Oldfield, over 100 students in fact. While the sixth form is still small relative to some schools, it is noticeably much larger than in previous years and this is already having a very positive impact around the school. We have made a commitment to high quality teaching at A Level and the results from this summer illustrate this. Quite simply they are outstanding with 90% of grades being C or better and an average grade of B-. We benchmark our A Level results using a national database of outcomes at A Level and this places us in the top 10% of schools and colleges nationally, which is a further improvement from what were excellent results last year when we were in the top 25%.

I want to take the opportunity early this term to welcome new staff to the school. We have appointed a number of new teaching and support staff. Jon Reeves has joined us as Deputy Headteacher and is also a science teacher. He is joined in the Science Learning Area by Lisa Conley and Daniel Axe. In maths our new teaching staff are Bob Chapman, Susannah Schoppler and Paul Burford. Brendon Abood is our new Head of Year 9 and teaches business and economics, and in English we have two new teachers; Louise Holly and Claire Mellor. Lastly, joining the Humanities Learning Area, are Jessica Houghton to teach history and Paolo Santarpino who teaches geography. Our SEND team has a new SENCO, James Sully, and we have also appointed Lowri Morgan, Rosie Pindar and Naomi Tarrant as teaching assistants.

You will be aware that we have Open Evening this week and I know that many of your children have volunteered to help with this. This is very much appreciated as they are invariably excellent ambassadors for the school. Could I remind you that we have an inset day this Thursday and we also have an early end to the school day on Thursday 25<sup>th</sup> October as we have our first tutor /parent consultation evening and, in order to allow all parents to have an interview with their child's tutor, appointments will start at 2pm. We will be writing to you in due course with more information about this event.

A list of clubs and activities taking place this term is attached to this newsletter. As usual there is a wide range on offer and I hope that your son or daughter will participate in as many of these as possible.

Best wishes for the remainder of this term.

Steven Mackay
