Student Wellbeing through the year

OLDFIELD SCHOOL

It's ok to not be ok.
It's not ok to stay that way!

I can't
promise to
fix all of
your problems,
but I can
promise you
won't face
them all
alone.

YEAR 10 WORK EXPERIENCE

15th-19th July 2024

OLDFIELD
SCHOOL

Year 10 Careers Programme- Key Dates

- *CV Writing Workshops
- *National Apprenticeship Week
- * Oldfield Careers Event
- *Mock Job Application Process
- *Mock Interviews
- *Work Experience Week

Why
**WORK
EXPERIENCE?**

Official Launch with students:
9th October

But students can start looking for
placements now.

AVOID: placements with close family

AVOID: placements outside the
designated Work Experience week

BE

PROACTIVE

In 2016 only 1 student didn't find a placement

In 2017- just 8 out of 208

In 2018- just 5 out of 216

In 2019- just 6 out of 220

In 2022- just 2 out of 220

It is an expectation that all students secure a placement.

REALISM

**OLDFIELD
SCHOOL**

THE RIGHT SUPPORT:

Mrs Rawlings will be available to help students find placements or meet with small groups.

Tutors can guide them and will provide tutor time to help with research

We will run sessions on CV Writing and Interview Practice

SEND students will be supported by the SEND team

Ultimately though it is down to the student to secure a placement

KEY STEPS

- * Step 1: Research placements and contact employers
- * Step 2: Secure a placement- pass these details to tutor
- * Step 3: Complete the **3-Way Agreement Form**. Employer and parents to complete and sign. Both paper and online version.
- * Step 4: Return paper forms to tutor. The school will complete any checks required.
