

OUTLOOK

OLDFIELD
SCHOOL

Term 3

Thank you to all the parents who helped plant bulbs back in October. The daffodils are in full bloom and the tulips are just emerging. They give you a little lift when you walk by.

This has been another very quick term with a lot of hard work from staff and students. As we walk around school and lessons, it is great to see the positive attitude of the students towards their work. As you will see in the newsletter, there have been lots of opportunities for the students to learn and grow outside of the classroom.

Term 5

Term 5 is the start of our formal examinations for years 11 and 13. We wish them every success following their hard work over the last two years. Year 10 will be doing their mocks and year 9 will be finding out their option choices.

As a staff body we will continue to reflect on our own practice to make lessons engaging and

purposeful to help students progress. We will also continue the work on our school values, with a particular focus on ambition.

New Block

Our new building is finally finished, and we will be taking ownership during the Easter holidays. The top two rooms are fantastic science labs and downstairs is a new technology and food technology room. They are excellent spaces for our students to learn in and be inspired. A big thank you to our business manager Miss Tovey and Mr McKay who have worked so hard to make this happen. The students are still deciding what we will call it.

I can see how tired the staff are now, as they give their all to make Oldfield the best school it can be. We are all ready for a rest now and recharge for term 5. Thank you for your ongoing support.

Andy Greenhough

NOTICES

Allergy Warning

Many of our students suffer serious nut and sesame seed allergies. Therefore, please remember not to include these in your child's packed lunch. We are a nut free school.

Follow our social media accounts to get updates from school trips and activities:

X @OldfieldSchool
Instagram Oldfield_school

Or visit our website for information on all aspects of the school www.oldfieldschool.com

Updating Details

Please ensure you keep us up to date on where you live and contact numbers and email if they change. Also, if your child suffers from a medical condition, then we need to be informed of any changes.

Please do so by emailing enquiries@oldfieldschool.com

Parking around school

A further reminder to parents to please be careful when picking up and dropping off at the beginning or end of the school day. Parking should not be on the double yellow lines at the front or side of the school, please drop off in the slip road near Penn. Drivers should be mindful of other traffic, our neighbours and most importantly, students crossing the roads.

MICROSOFT 365

All students at Oldfield School are able to install the latest versions of Microsoft Word, Excel, PowerPoint and Publisher for free on their computers at home.

- 1) Go to the O365 website: <https://portal.office.com>
- 2) Sign in using your school email address and password
- 3) On the Launchpad page, click on the 'Install apps' button.

Calendar

The calendar tab on the school website is a useful resource to check for upcoming events:

www.oldfieldschool.com/calendar/

2025/26 Academic Year

Term 1 starts on Tuesday 2 September. Please see below for information about when students should arrive to school:

- Tuesday 2 September 2025 – Inset Day. No students in school
- Wednesday 3 September 2025 – Inset Day. No students in school
- Thursday 4 September 2025 – Only years 7, 10 and 12 in school
- Friday 5 September 2025 – All students return to school

Lost Property

Please ensure that all of your child's uniform and belongings are named. This photo shows our collection of lost property from just one term and includes Superdry and North Face items!

Pupil Premium and Free School Meals

Pupil Premium is extra funding allocated to schools to work with students who have been registered for Free School Meals at any point in the last six years. The government believes that Pupil Premium, which is additional to main school funding, is the best way to address current underlying inequalities between students who are eligible for Free School Meals and their peers. It ensures that funding to tackle disadvantage, reaches the students who need it.

In most cases, the Pupil Premium is paid direct to schools and is allocated to them for every student who receives Free School Meals. Schools decide how to use the funding as they are best placed to assess student needs. The funding is directed specifically at the pupils in receipt of this funding, and could be used for items such as one-to-one or small group tuition, non-academic intervention, or help with costs for trips, equipment, uniform etc. It is discreet and pupils in receipt of it are not singled out in any way. We encourage you to get in touch with us if you think your child may be eligible for funding. The money is available for every child whose parents are receiving certain benefits but the school will only receive the funding if parents register.

Please contact us on enquiries@oldfieldschool.com

Extra funding for children of Service Personnel

There is also extra funding available under Pupil Premium for those children who have a parent currently serving in the armed services, or those whose parents have left the service since April 2011. This provision is made for additional (mainly pastoral) support, so we would be grateful if any Service Personnel could inform the school of their status, so we can record this information on the school system. This information is protected and the data regarding individual children is not shared outside the school.

Schools with Service children in Reception to Year 11 classes are eligible to receive the fund, but only if your child's name appears on the school's roll as being a Service child, so please let us know.

Contact us on enquiries@oldfieldschool.com

For further information please see

www.gov.uk/service-premium-information-for-schools

World Book Day

On Thursday 6 March, staff and students across the school celebrated World Book Day with a Roald Dahl theme, in keeping with our upcoming *Matilda* musical. Staff dressed up as characters from the classic novels, with Miss Trunchball, Mr and Mrs Twit, and James (Cordle) and his Giant Peach all making an appearance. Meanwhile, students enjoyed a day of book-themed activities ranging from scavenger hunts to drawing competitions. Years 7 and 8 took part in a 'Drop Everything and Read' session at the start of each lesson, embedding the culture of reading in our school and placing literacy at the forefront of everything we do.

We are pleased to announce that the winner of the 'Redesign your favourite book cover' competition was Kaitlyn H in 8NE2, with her dramatic re-imagining of *Divergent*.

Ms Pearce

Sixth Form Netball

Congratulations to the Sixth Form netball team who represented us in the BANES netball tournament at Writhlington. It was a pleasure to watch the girls play so well all afternoon and enjoy themselves at the same time, especially those who had not played for a while!

Fantastic shooting from Hana and Silvia smashed it in the circle, proving too much for the opposition, while Alex and Ella were busy defending everything the opposite end!

Superb attacking play from Tessa and Emily helped build our lead in games while Ria and Pearl took interceptions to help convert possession to goals.

Despite some impressive netball we just missed out narrowly on going for the top two positions and finished a very well deserved third place. Well done girls!

Netball vs St Gregs and Ralph Allen

The Y10 and Y11 netball teams enjoyed a lovely afternoon of netball at Ralph Allen playing a triangular with Ralph Allen and St Greg's.

It was great to see so many players enjoying themselves playing competitive sport at a good level. The year 10 had a very successful afternoon winning both their matches with some great performances from both attack and defence, with Maya and Rosa securing the goals in the net when it counted. The year 11 team had two great well fought out games with most of the play going goal for goal, and they were just pipped at the post towards the end of both games when the ball just did not fall their way and the opposition took advantage. However, another superb squad performance just highlighting the versatility of the Y11 squad!

Mrs Little

Coaching Sessions

Our passion for sport extends beyond our own school grounds! On Wednesday, 26th March, our talented students took their skills into the community, leading coaching sessions in local Primary schools.

At Saltford Primary, our Year 10 students ran an energetic athletics session for the Year 5 classes, helping to build confidence, teamwork, and a love for sport. Meanwhile, our Sixth Form leaders spread the festive spirit at St Mary's, delivering a fantastic Easter Festival for Reception and Year 1 children.

A huge WELL DONE to all the students who took part – your hard work, leadership, and enthusiasm are making a real difference!

Mrs Bell & Mr John

Year 10 BANES Netball Tournament

Congratulations to the Y10 netball squad who battled the freezing wind at Writhlington School for the Y10 netball tournament.

We started off with two wins taking control of the game with sharp shooting from Maya and Rosa along with super centre court work from Lola and Sophie, who fed some lovely balls in with great vision. The defence unit of Leila, Emilia, Jorja and Lily then made sure that the opposition had a difficult task of getting the ball past them.

Our next couple of games were well fought and full of ups and downs for both teams, but we narrowly missed out by small margins which meant we were just outside of the semi finals.

A brilliant afternoon spent with a wonderful team who were true ambassadors for our school in their conduct and fair play and respect for others. Well done girls!

Mrs Little

Coaching Club

This term, we launched an exciting new Coaching Club every Friday lunchtime, led by our fantastic Year 10 student volunteers and overseen by staff. This club is a welcoming space where invited Year 7 and 8 students can enjoy a relaxed environment to eat lunch, socialise, and take part in fun activities.

So far, students have had a great time playing card games, basketball, and even cricket, making it a highlight of the week for many!

If you think your child would benefit from joining this friendly and supportive club, please let their tutor know so they can be added to the register. **Mrs Bell**

Senior Netball vs Hayesfield

Well done to the senior netball squads who travelled to Hayesfield for a netball game this week. As expected they were both tough matches with a lot of quality netball on show from all sides.

The Y10 fought hard to come back from a strong first quarter from Hayesfield but we soon got into our game and the goals began coming in from Rosa and Maya on the end of great attacking feeds from Sophie and Lola. Despite the best efforts of our defence unit of Leila, Jorja, Lily and Houda, we were unable to get the upper hand and lost, but the effort and determination throughout was amazing! Well done to Rosa voted player of the match.

The Y11 had a similar game having to bring their A game against a strong Hayesfield side. They did this with some great vision into the circle from our attack unit of Poppy, Ellie and Abi, and then Inaya and Jasmine converted goals with great composure! Welcome Alexia and Gracie to the defence who had a great first game against a fast moving Hayesfield attack. Mabel and Olivia battled throughout as usual to try and gain possession as a result of tight marking and interception. Again, we were unable to hold on for a win but a brilliant effort from all. Well done to Poppy voted player of the match.

Mrs Little

Term 4 Sports Leaders Festivals at Oldfield School

This term, our Sports Leaders have been busy bringing energy and excitement to two fantastic Spring Festivals at Oldfield! Both events were held on the beautiful Westgate Field, where the sunshine and fresh air made for the perfect setting.

Our incredible Sports Ambassadors from tutor groups 8M11 and 8MA2 stepped up to the challenge, delivering fun-filled sessions alongside our dedicated Year 9 Sports Leaders. Their enthusiasm and creativity kept the Year 5 children engaged, active, and, most importantly, smiling! But the action doesn't stop there! Next term, we're gearing up for two more thrilling festivals, this time welcoming Year 3 Primary school children. The next wave of inspiring ambassadors, from 8M11 and 8NE2, are ready to make these events just as memorable!

Mrs Bell

Year 7 & 8 Netball Club

Thanks to its popularity, our Year 7 & 8 Netball Club continued through Terms 3 and 4, giving students the opportunity to refine their skills, enjoy friendly competition, and develop their confidence on the court. Each week, students took turns stepping into leadership roles as team captains and umpires, adding an exciting new challenge to their game experience. We also introduced our Player of the Day nominations, celebrating standout performances, teamwork, and sportsmanship – with many students earning well-deserved recognition! A special shoutout goes to Leila M (Year 10) for her incredible dedication and support in helping run the club each week. Your efforts have made a huge difference!

Mrs Bell

Revolting Children! Matilda rehearsals get underway

Excitement is in the air as rehearsals for this year's highly anticipated school production of *Matilda* have kicked off this term! With over 100 enthusiastic students already involved, we've dived straight into blocking key numbers, including the iconic 'When I Grow Up'.

An impressive 90 students have shown incredible ambition by auditioning for principal roles. We'll be working through these auditions over the term and look forward to announcing our two casts early next term. The energy and enthusiasm during these initial rehearsals have been truly inspiring. We're also thrilled to see students stepping up for vital technical and backstage roles, ensuring the magic happens both on and off stage.

Mark your calendars — performances will take place this summer. Stay tuned for more updates as we continue our creative journey in the months ahead!

Ms Bloomfield

Band Development and Battle of the Bands

Band development sessions have started this term. Eager students met with Mr Naylor to spend a happy and productive afternoon making music and challenging themselves to try new things. It was a very successful session, and the students involved should be proud of the progress they made. We are excited that the bands are going to continue to work together, both in future sessions and in their own time, and we are looking forward to them entering the Battle of the Bands 2025. It looks like it is going to be another bumper year with more bands than we can fit into one night; make sure you save two dates – 20 and 21 May. This will be for a year 7 & 8 battle and a year 9 & upper school battle.

Mrs Robinson

Careers Fair

On the last day of term, we welcomed 20 employers and education providers to our annual Careers Fair. Exhibitors included the RUH, Snapdragons Nursery, the British Army, the Ministry of Justice and Bath College, along with many more. Every student in years 7-10 and sixth form got a chance to visit the event and ask any burning questions about the world of employment and post-16 options. We are very grateful to all the exhibitors and to the students for preparing such insightful questions.

Mrs Rawlings

Representation and Inclusion

We are pleased to be re-launching the Equality and Diversity student groups and have rebranded them as Representation and Inclusion. This is because we have two mission plans! 1. To have a safe place to meet, talk and support each other in any challenges you may be facing in school. 2. To identify areas of Oldfield School that we think need improving to ensure everybody feels safe, included and celebrated. There are two groups running, Pride (LGBTQIA+) and Ethnicity/Culture (exploring issues around experiences of racism). We look forward to seeing some of our students there. **Mrs Ahmed**

Flash Fiction Writing

At the end of February, 18 very lucky English students had the opportunity to attend a creative writing masterclass at Birmingham City University.

Along with a tour of the campus, students were taught some exciting new writing skills by experienced professors of poetry and fiction-writing. Our brilliant Sixth Form students rose to the challenge and created their own examples of fantastic flash fiction and were given anthologies of some excellent published writing to keep!

Mrs Morris

Unmasked

This is a new club for year 7 and year 8 that our sixth formers have started. The aim of the club is to provide a safe space at lunchtime to any child who is feeling lost or lonely or simply wants to play a game and chat.

Every Thursday lunchtime, we meet in 106 for board games and craft. Since the group started many pom-poms have been made and many (highly competitive) chess games have been played. A special well done to Emily and Seth who have persevered and worked so hard to learn some new practical skills. Thanks to Sophia D in year 12 who had the vision and drive to make this happen. Thanks too to the team who have gotten behind her; Ritty T (our origami wizard), Xenia D (our crocheting expert), Jess B, and Dexter G. A special thanks to Gideon D in year 8 who came up with the brilliant name.

Mrs Williams

Year 12 April Fool Ball

Sixth Formers had a very-much-needed opportunity to let their hair down on Tuesday at our April Fool Ball. The theme this year was 'Movies and Musicians'. The year 12s really showed up, with a great selection of costumes on display on our makeshift red carpet. In keeping with the theme, students enjoyed refreshments of popcorn and pick-'n'-mix and danced the night away with a live DJ playing some of their favourite tunes.

Mr Nash

House News

We are delighted to share that kindness at Oldfield has reached new heights! Our school community recently came together to support a meaningful cause, donating over 350 non-perishable food items to the Genesis Trust, a local food bank in Bath as support for Comic Relief. This incredible effort reflects the compassion and generosity of our students, who eagerly contributed to ensuring families in need have food on their tables.

The initiative encouraged students to donate as much as they could, and their response was truly inspiring. On April 2nd, the Genesis Trust team visited our school to collect the donations and personally thanked us for the outstanding contribution. Their appreciation highlighted the real impact our school has made in the fight against hunger.

A special mention goes to our GCSE Year 10 students, who created an insightful video to raise awareness about the importance of donating and how we can all play a part in helping others. Their dedication helped emphasise why such efforts matter and how small actions can create significant change.

As part of the initiative, we also held a friendly competition between our school houses to encourage participation. After counting up all the donations, we are thrilled to announce that Neptune House collected the most items—congratulations! However, the real victory lies in the collective effort of all our students, who stepped up to make a difference.

A heartfelt thank you to everyone who contributed to this incredible cause. Your kindness and generosity continue to make Oldfield a truly special place.

Ms Kernan

Thinking about getting an e-bike?

Come and try one at our demo day in Bath

PSHE

Continuing on from our focus at the start of the year in PSHE students have continued to learn about and explore the three main strands of PSHE: The Wider World, Healthy Lifestyles and Relationships.

Year 7 have been continuing to explore characteristics and keeping safe, our learners have been exploring water safety, internet safety and the laws around risk taking. Year 7 have been creating brilliant posters about how to access support and help when facing an issue. Next term year 7 will learn about relationships, including their role as a family member and a friend.

In Year 8, we have been addressing discrimination. Students have also taken on board learning around First Aid. If your children are in Year 8, get them to explain DRSABC to you and when and how they would use the recovery position and CPR. Year 8 have also practised the conversation they would have should they call an ambulance. St John Ambulance have lots of resources on their website and on YouTube that are really helpful.

Year 9 focused first on careers and goal setting, this tied in with choosing their options. Many Year 9 classes had a visit from the school's careers advisor Mrs Rawlings, it was lovely to see how engaged our students were when considering future career options. In the second half of the term Year 9 have considered healthy lifestyles, this has included discussions and tasks around body image and included development of their learning on personal risk and internet safety from last term.

Year 10 have focused this term on mental health and relationships and sexual health education. We started the term thinking about new year's resolutions, accepting difference, ambition and resilience. The last few lessons have been focused on healthy relationships, consent, equality in relationships, recapping sexual health and the depiction of intimate relationships in the media. In these discussions we have studied the laws around intimate relationship, age-appropriate content (e.g. in film and television) and the laws about and potential dangers of pornography.

In the media, everyone is talking about Adolescence, a four-part series broadcast on Netflix. The key messages and debates this series provoke are also discussed on BBC's The Richard Dimbleby Lecture where Gareth Southgate explores resilience, the concept of belief and the power of unity in a fast-changing and challenging world for young people. We address the underlying issues throughout the PSHE curriculum, you can view our PSHE curriculum map on the school website. If you would like to explore some of the issues raised in the media recently you can find resources at: <https://www.educateagainsthate.com/category/parents/Ms Axe>

Transitioning to Sixth Form

We were delighted to welcome so many year 11 parents to our recent information evening. This event was organised by Miss Parry, assistant SENCO and Mrs Williams, Sixth Form Pastoral Support. Over coffee and chocolate brownies we shared some of the additional challenges that students with neuro-diversity might encounter as they transition from GCSE to A level studies. We were very grateful to two of our current year 12 parents who gave up their time to come along and share their experiences. They talked openly and honestly of how their children are learning to manage the demands of increased workload, independent study and a new environment for learning. We focussed on small things that parents can do to reduce anxiety and stress and increase enjoyment and a sense of fulfilment. This evening included an overview of the brilliant support that is offered by the SEND team and external agencies and also the additional things subject teachers are developing to reduce barriers to learning. We explored different parenting styles; are you an emotional jelly fish, a rhinoceros or a playful dolphin? The evening finished with a focus on the unique gifts and strengths that neuro-diversity can bring. If your child has applied to Oldfield and you have any concerns about any additional needs or support they may need please contact Mrs G. Williams or Miss M. Parry via enquiries@oldfieldschool.com.

Mrs Williams

The background of the poster is a night scene of a stone bridge over a river, with a large building in the background. Numerous colorful fireworks (red, white, blue, and purple) are exploding in the sky above the bridge.

OLDFIELD
SCHOOL

SIXTH FORM

Quiz Night

Many thanks to everyone who supported the annual OSA quiz on Friday 7th March. We had an amazing turnout – the main hall was packed with the best brains in Oldfield and thanks to everyone's generosity we raised a massive £1,850 which is a new record! Special thanks to Gavin Osborn for hosting and co-writing the quiz along with Jason Dinsdale, to Amy Osborn for all the organising behind the scenes, to Karen and Dave – the school catering team – for once again providing their delicious veg chilli, and to all the OSA volunteers who ensured everyone was well fed and watered throughout the evening. Judging by the recycling bins at the end of the evening, it was certainly a busy one! Congratulations to the winning team – Men of the Vale – who won it by a single point. A great contest and a great evening. All the money raised will go towards buying plants and planters for the new sensory garden behind Hemmings.

Bath Half Marathon

We might have only had one runner this year, but what a fine job he did! Congratulations to Mr. Moore, Head of History, who ran the Bath Half marathon for OSA this year. Not only did he manage to run all 13 miles, but he raised a wonderful £590 for the school too. Thank you so much Mr. Moore, we really appreciate your efforts.

Pre-Loved Uniform Sales

On 22nd March we trialled a Saturday uniform sale, with the aim of making our pre-loved sales more accessible for everyone. It was a resounding success; well-attended and raising £500 in the

process. We will consider including Saturday sales into the OSA calendar for next year. Thanks to all the volunteers who gave up their Saturday morning to help, and to those of you who supported the event. Our next uniform sale is Wednesday 14th May, 3.15-4.30pm. As a reminder, we welcome donations of uniform at any time throughout the year. The uniform should be in good condition, washed and ready to sell. Donations can be handed in at reception in a bag labelled 'OSA'.

Save the Date – new summer event!

We have a new event lined up for the summer term – we're not quite ready to reveal the details yet but it will involve bands, dancing, eating and drinking! The date is Friday 27th June, 7pm till late. Please hold the date in your diary, and we'll send out more details after Easter.

OSA vacancies

Gill Simpson, our current Chair, will be standing down in September 2025, and so we're on the look out for a new Chair, or potentially two co-Chairs. If you're interested in finding out more, please email osa@oldfieldschool.com for details of the role, and/or join our next meeting on Wednesday 30th April (8pm, online – please email OSA for the joining details). New members are always very welcome.

Thanks for all your support this term and wishing you all a lovely Easter break.

The OSA team.

EASTER HOLS KIDS OUTDOOR ART & TEAM- BUILDING WORKSHOPS

Problem? Whisper it!

If you have a problem or concern in school or at home, you can report it to a member of staff anonymously.

When To Report...

You or a friend are being bullied

You are concerned for
a student's welfare

A student, member of staff, or parent
has behaved inappropriately

You need to talk to someone
about a problem

Suggestion for changes or
improvements in school

Report via SMS or visit:

<https://swgfl.org.uk/whisper/old3/>
