

OLDFIELD SCHOOL

July 2025

Dear new Year 7 student,

Welcome to Oldfield School!

I am so pleased that you have chosen to become a member of our community here at Oldfield School. I will be your Head of Year at Oldfield and my job will be to help you settle in and make sure that you get the most out of your time at secondary school.

You may be feeling a bit nervous about leaving primary school, but you don't need to! You will make lots of new friends and try lots of exciting new subjects and activities with brilliant teachers. I will be encouraging you to work hard, but also to join in with many of the activities Oldfield School offers, from science club to choir, chess club to basketball. There is bound to be something you'll want to join in with.

I'm looking forward to getting to know you properly throughout year 7, and to help me do this I would love you to write me an email or letter telling me all about you. You could tell me what your favourite subjects are and why, and what new subjects you are most looking forward to studying. You could also tell me about your hobbies and interests outside of school. This will give me a little bit of background information about you. If you prefer you could print a picture of yourself surrounded by your favourite things or doing your favourite hobby or pastime. Please email your message or picture to enquiries@oldfieldschool.com.

If there is anything worrying you about moving to Oldfield School then let me know in your email and I will try to help when you start in September. I very much look forward to hearing all about you.

Have a lovely summer and I am really looking forward to getting to know you in September.

Mrs Macnaughton
Head of Year 7
