For the student:

If the school makes an enquiry about the result of one of your examinations, there are three possible outcomes:

- Your original mark is confirmed as correct.
- Your original mark is raised.
- Your original mark is lowered, and this could affect your overall grade.

I give my consent to the Exams Officer to make an enquiry about the result of an examination listed above. In giving consent I understand that if my mark is lowered it could affect my final subject grade award.
