

MOBILE PHONE / ELECTRONIC DEVICES POLICY

Last Review: Feb 2026

Committee: SLT

Date Ratified: Feb 2026

1. Rationale

1.1. Mobile phones and other personal electronic devices are now part of everyday life. As a school, we must adopt a sensible and practical approach. We understand that many parents wish their children to carry a mobile phone for their personal safety whilst travelling to and from school.

1.2 It is worth noting that there may be health concerns connected with the use of mobile phones and other personal electronic devices and the general availability of these devices can also increase the occurrence of negative behaviour, e.g., cyber bullying.

1.3 This policy should be used in conjunction with the ICT Policy, the Online Safety Policy, the ICT Code of Conduct, the Behaviour for Learning Policy and the Anti-Bullying Policy.

1.4 This policy covers the bringing into school of mobile phones and other personal electronic devices.

1.5 This policy is applicable to students in Years 7-11. Sixth Formers are expected to use their mobile phones/other electronic devices discretely and primarily for purposes of study.

2. The Use of Mobile Phones in School/on Educational Visits

2.1 Students, are allowed to bring a mobile phone into school but this is only for on their way to and from school.

2.2 Phones must be switched off and out of sight (in a bag or locker) during the school day, that is all of the time whilst on school premises. They must not be used for any purpose including to make calls, take or send pictures or access the internet.

2.3 Oldfield School accepts no responsibility for the loss or damage to the phone.

2.4 Parents must not contact their children during the day by mobile phone, (the school office is able to take these messages).

2.5 Students who become ill during the day must not use their mobile phones to contact parents; they should use the established procedure via the school office.

2.6 Whilst on educational visits, mobile phones should be turned off and placed out of sight.

2.7 Mobile phones should only be used by pupils under the instruction of school staff in order to make contact with home in an emergency or to aid transport arrangements to get home at the end of the visit

2.8 If a student abuses the code of conduct by using their mobile phone inappropriately, the following sanctions are then applied:

STAGE 1

- Phone confiscated and returned by Head of Year at the end of the school day.

STAGE 2

- Phone confiscated and returned by Head of Year at the end of the school day.

STAGE 3

- Phone handed in/collected from reception until the end of the week.

- SLT detention
- Letter and SLT phone call home.

STAGE 5

- Phone handed in/collected from reception until the end of the week.

2.7 Students in Years 7-11 are reminded of this policy annually.

2.8 All offences are recorded in a logbook that is located in the Main Reception as well as on SIMS.

3. Other Personal Electronic Devices

Acceptable use of other electronic device is allowed for purposes other than communication and accessing social media, for example laptops and e-readers.

Oldfield School accepts no responsibility for the loss or damage to any electronic devices brought into school and it is recommended that, if brought to school, they are clearly labelled, as with all possessions brought into school.
