# Oldfield Trust Board Scheme of Delegation

## Introduction

Oldfield School's Full Governing Body is accountable in law for all decisions about Oldfield School. However, this does not mean that the full Board is required to make all the decisions itself. Subject to some restrictions, the Full Governing Body can decide to delegate decisions to its Headteacher (the senior executive leader), its committees and individual Governors. The Governing Body's decision to delegate a function is made by the Full Governing Body and must be recorded. Without formal delegation, the individual or committee has no power to act. Once delegation has been determined the Scheme of Delegation (SoD) must be published on the School's website.

## The purpose of the Scheme of Delegation

A scheme of delegation is the key document defining which functions have been delegated and to whom. It should be a simple yet systematic way of ensuring Members, Governors, committees and individuals are clear about who has responsibility for making which decisions in the Trust. This overarching SoD, covering all decision-making in the Trust, should not be confused with Oldfield School's Financial Regulations Policy (November 2025), which contains the written scheme of delegation of financial powers referred to in the Academies Financial Handbook.

Deciding what to retain at Governor level and what to delegate varies from Trust to Trust. The detail will not be set out in the Articles of Association, the Academy Trust's Governing document. This is why the Academy Trust is required to agree a SoD that explicitly establishes who makes which decisions, and ensures this is clear to all. A detailed yet clear SoD should help prevent confusion from arising before any misunderstanding arises which has the propensity to lead to a loss of Trust and damaged working relationships.

## Format, structure and clarity

The grid format, with columns for each layer of governance, should enable stakeholders to quickly determine who has the power to take which decisions within the Trust. The grid is divided into 3 key areas to reflect both the governance framework and the 3 Core Functions of the Full Governing Body, as defined by the DFE in the Governance Handbook:

The governance framework:

- People
- Systems and structures
- Reporting.

The 3 Core Functions:

1. Being strategic
2. Holding to account
3. Ensuring financial probity.

The SoD is intended to be a working document which the Trust will revise and adapt as it requires.

## Review and adapt

The SoD should be reviewed annually, with revisions made as the context changes. All those involved in governance, and delivering the Trust's objectives, must be made aware of any changes and the impact of those changes.

## If effective the SoD will:

- Ensure the school leadership is clear about which decisions the Trust Board retains
- Ensure that the role of the Headteacher is fully understood
- Promote a culture of honesty and accountability
- Identify responsibility for the appointment and performance management of the Headteacher
- Identify responsibility for policy and practice in the academy
- Identify responsibility for oversight of the academy's budget □ Identify responsibility for assessment of risk in the academy
- Identify responsibility for oversight of educational performance in the academy.

## Oldfield Governance Structure (As at December 2025)

# Oldfield Trust Board Scheme of Delegation

## Governance structure and lines of accountability

The Full Governing Body delegates responsibility for the day-to-day running of the academy to the Headteacher. The Full Governing Body holds the Headteacher to account for the academy's performance. The Headteacher in turn holds other members of the senior leadership team (SLT) to account by line managing them. While the Full Governing Body cannot ever delegate its accountability, it can delegate some of the detailed scrutiny, oversight and decision-making. The Headteacher reports to the Full Governing Body on the performance of the academy; that reporting is supplemented by the monitoring undertaken by the Governing Body's Committees.

## Roles and responsibilities

### The role of the Members

The Members of Oldfield Trust have a different status to its Governors. Originally they were the signatories to the Memorandum of Association and agreed the Trust's first Articles of Association (a document which outlines the governance structure and how the Trust will operate). The Articles of Association also describe how Members are recruited and replaced, and how many of the Governors the Members can appoint to the Trust Board. The Members appoint Governors to ensure that the Trust's charitable object is carried out and so must be able to remove Trustees if they fail to fulfil this responsibility. Accordingly, the Full Governing Body submits an annual report on the performance of the Trust to the Members. Members are also responsible for approving any amendments made to the Trust's Articles of Association.

While Members are permitted to be appointed as Governors, in order to retain a degree of separation of powers between the Members and the Full Governing Body, and in line with DfE expectations, not all Members should be Governors. Members are not permitted to be employees of the Academy Trust.

### The role of the Trustees

The Academy Trust is a charitable company and so Governors are both charity Trustees (within the terms of section 177(1) of the Charities Act 2011) and company directors. Because Trustees are bound by both charity and company law, the terms 'Trustees' and 'Directors' are often used interchangeably, along with 'Governors'.

The Full Governing Body is responsible for:

- The general control and management of the administration of the Trust; and
- In accordance with the provisions set out in the memorandum and Articles of Association and the Trust's funding agreement, is legally responsible and accountable for all statutory functions, for the performance of the Trust, and
- Must approve a written scheme of delegation of financial powers that maintains robust internal control arrangements.

# Oldfield Trust Board Scheme of Delegation

In addition, the Full Governing Body must carry out the 3 core governance functions:

1. Ensure clarity of vision, ethos and strategic direction
2. Hold the executive to account for the educational performance of the Trust and their pupils, and the performance management of staff
3. Oversee the financial performance of the Trust and make sure its money is well spent

The Full Governing Body has the right to review and adapt its governance structure at any time which includes removal of delegation.

## The role of Oldfield Governing Body's Committees

Committees have been established to carry out some of the Trust's governance functions which include making decisions; decisions made will be deemed decisions of the Full Governing Body. The membership and responsibilities of the Committees are set out in the Committees' Terms of Reference, which are reviewed annually.

The Academies' Financial Handbook makes clear that the Full Governing Body *'should have a finance committee to which the Full Governing Body delegates financial scrutiny and oversight'*. The Finance & Audit Committee has been established to meet that requirement.

## The role of the senior executive leader (the Headteacher)

The Headteacher has the delegated responsibility for the operation of the Trust. The Headteacher is the Accounting Officer so has overall responsibility for the operation of the academy Trust's financial responsibilities and must ensure that the organisation is run with financial effectiveness and stability; avoiding waste and securing value for money.

The Headteacher leads the senior leadership team (SLT) of the academy Trust. The Headteacher will delegate management functions to the SLT and is accountable to the Full Governing Body for the performance of the SLT.
